EDUCATION

B.Tech - Information Technology
Sri Balaji Chockalingam Engineering College, Tiruvannamalai.
2026 | **CGPA : 8.2**

HSC: 89% | SSLC: 81%
Sri Vardaman Jain Matric Hr.Sec School, Vellore.

PROFILE

I am an IT graduate with a passion for learning new technologies and building practical solutions to real-world problems. I enjoy taking on new challenges and continuously expanding my technical knowledge. Through hands-on projects, I have developed strong problem-solving and development skills. I am eager to contribute to meaningful projects while growing as a technology professional.

WORK EXPERIENCE

- NextGen Technology** 2025
FullStack Developer Intern
- Developed a desktop application using Python and Tkinter.
 - Implemented attendance management with CSV-based data storage.
 - Added automated date and time logging for accurate record keeping

PROJECTS

- Local LLM Chat System (Multi-Model AI Integration)**
- Built a full-stack AI chat platform using React and Spring Boot.
 - Integrated multiple local LLMs through Ollama with dynamic model selection.
 - Implemented chat history persistence and a responsive user interface.
- Student Result Analyzer**
- Created a data analysis tool using Python, Pandas, and Matplotlib.
 - Processed CSV datasets to calculate totals, averages, toppers, and subject-wise performance.
 - Generated visual reports for pass/fail trends and academic insights.
- Student Attendance Tracker**
- Developed a desktop application using Python and Tkinter.
 - Implemented attendance management with CSV-based data storage.
 - Added automated date and time logging for accurate record keeping.
